CAUSE NO. 41338-GCA6

You are hereby notified that on this date, the Indiana Utility Regulatory Commission has caused the following entry to be made:

On August 27, 2004 in accordance with the Commission's August 18, 1999 Order in Cause No. 41338, Northern Indiana Public Service Company ("Petitioner" or "NIPSCO"), filed its verified Petition in this Cause for approval of the annual demand, storage and transmission costs of NIPSCO's rates, to be applicable during the twelve-month period beginning November 1, 2004. A Prehearing Conference and Preliminary Hearing was held in this Cause on September 27, 2004 at 1:30 P.M. On October 13, 2004, a prehearing conference Order was approved by the Commission. In that Order, a typographical error caused Finding Paragraph 2 of the Order to read that Public's and Intervenor's prefiling date was January 4, 2005. It was agreed at the prehearing that the prefiling date for Public and Intervenors was January 14, 2005.

Therefore, the Presiding Officer now finds that Finding Paragraph 2 in the prehearing Order issued October 13, 2004 should be corrected to read that Public and all Intervenors should prefile with the Commission the prepared testimony and exhibits constituting their respective cases-in-chief on or before January 14, 2005.

**IT IS SO ORDERED.**
